

Jr. Gold Qualifying

Entry Fees:

- Jr. Gold Qualifier entry is in addition to the YBT entry costs for the day's tournament.
 - U12 - \$25
 - U15 - \$40
 - U18 - \$40

Required Memberships:

- Jr. Gold
 - All participants must have a current Jr. Gold membership for the 2023-2024 season. Memberships can be purchased the day of any of our tournaments.
- YBT Membership:
 - All participants must have a fully paid YBT membership for year 2023-2024. Memberships can be purchased the day of any of our tournaments.

Qualifying - Tournament:

- Qualifying consists of 4 games total pins count.
 - All entrants will use the 4 games bowled in the corresponding YBT event as the initial 4 games of qualifying.
- We will run different divisions whenever possible when entries allow.
 - U12 –We award 1 spot for each 4 entries in each boys and girls division.
 - If there are not 4 entries each for boys and girls, we will combine into a single qualifier for both. Ratio remains 1:4 for the awarding of spots but is on the combined entries.
 - U15 and U18 – We award 1 spot for each 5 entries in each boys and girls division.
 - U15 and U18 require a minimum of 5 participants to run separate divisions or we will put them together as we have in all past years.
 - Boys and girls will be separate in all divisions.

Qualifying – Season Points:

- Jr. Gold entry spots are also awarded to the top point earners not winning individual tournaments through the year.
- We will run point qualifiers for each division through the year where entries allow.
 - Points are awarded in an inverse relation to number of entries in each tournament/division not earning entries in the individual tournament.
 - E.g., A U18 division with 10 entries will award 2 spots to the top 2 qualifiers. The remaining entrants will receive points based on the 8 positions not qualifying for Jr. Gold in the following manner:
 - 3rd place – 8 points
 - 4th place – 7 points
 - 5th place – 6 points
 - 6th place – 5 points
 - 7th place – 4 points
 - 8th place – 3 points
 - 9th place – 2 points
 - 10th place – 1 point
 - Number of entries awarded on points will be based on the number of entries through the year.
